The REMAR year has started with a bang. It began with team training where we got to know the four new GAP students - Edward Crimmins (Marcellin College), Maddie Hellings (Catholic College Sale), Jack O'Sullivan (Notre Dame College Shepparton) and Liam Madigan (Marcellin College). These new faces add to the already dynamic team of Simone Boyd and Jane Normoyle. We are very excited about the year ahead and look forward to meeting you all in the future.

GAP TEAM TRAINING

January 14th - 16th

Edward Crimmins grew up in Melbourne and was always going to go to Marcellin College. Since attending the school he undertook REMAR as a rower and now is back to guide younger rowers through their own journey.

Jack O'Sullivan grew up in Shepparton and was school captain at Notre Dame. He has always had passion for youth ministry and is greatly looking forward to giving his all to GAP and to the rowers he serves.

Maddie Hellings grew up in Maffra and has always had an interest in Social Justice. After being school captain at CCS she saw GAP as a way to further give back to the program that has given her so much.

Liam Madigan also grew up in Melbourne and has played football and basketball all his life. He is now on a journey to do what ever he can to help the young rowers through REMAR and extend his own faith in doing so.
